Dear Unity North Congregants!

Thank you! Thank you for the past several months of caring, talking, sharing, planning, and brainstorming that led to the vote last Sunday. What a testimony to love in action you have all been. Your willingness to participate in heart-centered dialogues, to sit in the sometimes uncomfortable questions, and to remember that God is our Source, is exactly what was needed! Our faith is as strong as ever and our congregation is poised to discover the next level of spiritual community. All of you that participated in this exercise and held prayer throughout, know that you are a gift to this family for which I am immeasurably grateful.

In a few weeks, my Sunday message will be "An Activated Love!" What we have walked through together in the past few months has truly been an activation. We have stirred the proverbial pot of love and come up with greater clarity, an awakened consciousness, and a deeper sense of ownership; spiritually, emotionally, and financially. I applaud your diligent efforts. We have been reminded of the precious gift that Unity North is, and have demonstrated that holding fast to Spiritual principle will always be rewarded. Job well done Unity North! Special thanks to the board of directors, the staff, and the pledge committee led by Jennie Langer. Every one of you has elevated the collective consciousness and raised the awareness of what is possible when we don't shy away from the call.

Let's keep the fires of abundance and love burning. I affirm that what we have gained over the past few months is leading us to an ever greater realization that Unity North is a little slice of heaven on earth! Thank you!
