

## **02/11/18 – Beyond What You Can Imagine**

Anything you can conceive, perceive, and believe can be achieved. Through the faculty of your imagination, what are you currently achieving in your life?

Everything is energy and can be moved. How do you personally move energy?

Global transformation is first and foremost an inside job. How is the spiritual work you are doing affecting the entire world?

There's more to life than meets the eyes. Beyond the 5 senses are energies, realms, and abilities that transcend earthly experience. Our imagination is the portal to access those mystical and angelic dimensions. Share an experience you have had of these realms.
