

05/06/18 – Beneath the Surface Lies the Treasure

On Sunday, Richard said, *“The key to our future is to stop viewing our 21st century spirituality through a 1st century lens.”* What does that mean to you and how does that apply to your spiritual path?

In John 7:24, (New Living Translation) Jesus says, *“Look beneath the surface so you can judge correctly.”* Share your thoughts and how this idea might affect your future.

In an African tradition, people often greet each other with, *“I am here to be seen.”* If you were to be truly seen by everyone in this circle, what would they see?

Relationship can be a path to God. What do you think?
